Section 1: Introduction

1.01 About this Handbook

This employee handbook is intended to provide employees with information that is foundational to their success as an employee in the School District of Neillsville. Details regarding policies, procedures, ethics, expectations and standards of the district are outlined in this handbook. However, this handbook should not be considered all inclusive. Copies of Board Policies and Administrative Rules are available to all personnel and are found on the School District of Neillsville website (www.neillsville.k12.wi.us). It is important that each employee is aware of the policies and procedures related to their position. The rights and obligations of all employees are governed by all applicable laws and regulations, including, but not limited to the following: Federal laws and regulations, the laws of the State of Wisconsin, Wisconsin State Administrative Code and the policies of the School Board.

This handbook is for informational and resource purposes; it is not intended, nor shall it be construed to constitute a guaranty of employment, a guaranty of any other right or benefit, or a contract of employment, express or implied. The plans, policies and procedures described are not conditions of employment. The board reserves the right to modify, revoke, suspend, terminate, or change any or all such plans, policies, or procedures, in whole or in part, at any time at any time by the School District of Neillsville with or without notice. The language which appears in this handbook is not intended to create, nor is it to be construed to constitute, a contract between the School District of Neillsville and any one or all of its employees or a guaranty of continued employment.

In case of a direct conflict between this handbook, rules, regulations or policies of the board and any specific provisions of an individual contract, the individual contract shall control.

This handbook supersedes any and all previous handbooks, statements, policies, and administrative guidelines, rules, or regulations given to all staff, whether verbal or written.

1.02 Definitions

- A. **Administrative Employees:** Administrative employees are defined as persons who are required to have a contract.
- B. **At Will Employment:** At will employment is defined as an employer having the ability to fire an employee for any reason (providing the reason isn't illegal), without warning and without having to disclose just cause for doing so. It also means employees can quit their job without notice or explanation.
- C. **Discipline:** Discipline is defined as an employment action that results in a written reprimand, disciplinary suspension or disciplinary demotion. For further definition of employment actions not considered discipline, refer to Part I, Section 5.02 (D) of the handbook.
- D. **Flex Time:** Non-traditional work schedule practice which allows full-time employees to change their individual starting and end times within certain limits, with supervisory approval. Flex-time periods usually precede or follow a common time during which all employees must be present.
- E. **Insurance Eligibility:** Employees hired at a minimum three quarters (.75) FTE will be eligible for insurance according to current insurance laws. If an employee's FTE is reduced below a three quarters (.75) FTE, the employee no longer meets eligibility requirements for insurance.
- F. **Limited Term Employees (LTE):** LTEs are defined as persons hired for a specific project for a specific length of time. Examples: Substitute teacher, long-term substitute, summer school employees, co-curriculars and seasonal employees. A limited term employee has no expectation of continued employment, contract, or benefits. LTE's should contact the human resources/payroll department to determine benefit eligibility.
- G. **Outside Employment:** Outside employment is defined as employment for compensation that is not within the duties and responsibilities of the employee's regular position with the school system. Personnel shall not be prohibited from holding employment outside the School District of Neillsville as long as such employment does not interfere with assigned school duties as determined by the School District of Neillsville. The Board of Education expects employees to devote maximum effort to the position in which employed. An employee will not perform any duties related to an outside job during regular working hours or for professional employees during the additional time that the responsibilities of the district's position require; nor will an employee use any district facilities, equipment or materials in performing outside work. When the periods of work are such that certain

evenings, days or vacation periods are duty free, the employee may use such off-duty time for the purposes of non-school employment.

- H. **Permanent Employees:** Permanent employees are defined as employees whom the School District of Neillsville considers continuously employed, working either a fiscal year or a school year, until the School District of Neillsville, at its discretion, changes the status of the employee.
 - 1. Full-time Employee: A permanent full-time employee is defined as an individual who works 30 or more hours per week and is considered three quarters (.75) FTE or higher.
 - 2. Part-time Employee: A permanent part-time employee is defined as an individual who works less than 30 hours per week and is considered less than three quarters (.75) FTE.
 - 3. Exclusions: A full-time or part-time employee does not include limited term employees as defined in this Section.
- I. **Reduction-in-force:** A reduction-in-force procedure is defined as procedures applied in carrying out any reduction in force due to reorganization, lack of funds, curtailment of work, or due to any other factor that relates to student enrollment or staffing the organization.

Termination results in involuntary separation and with prejudice to the employee. A termination will result in the loss of length of service and other employment benefits. For the purposes of this document, "termination" shall not include:
 - 1. Voluntary retirement;
 - 2. Voluntary resignation;
 - 3. Layoff;
 - 4. Reduction in workday;

1.04 General Personnel

Section 2: Employment Law

2.01 ADA- Requests for Accommodation Procedures

Written requests for reasonable accommodation under the Americans with Disabilities Act or the Wisconsin Fair Employment Act should be directed to the human resources/payroll department and contain the following information:

- Name
- Job title and location
- Name of immediate supervisor
- Specific functional limitation, i.e., what job duty is unable to be performed due to the disability
- Requested accommodation; be as detailed as possible, including if applicable: equipment needed, job or schedule modifications, services needed or work restrictions
- Describe how the above accommodation will assist you in your job

Supporting medical documentation may be requested by the School District of Neillsville to confirm the need for accommodation. If medical documentation is requested, the request for reasonable accommodation cannot move forward until that documentation is received. Once the request and documentation is received, the human resources/payroll department and/or their designee will meet with the employee, the employee's supervisor will discuss the requested accommodation and/or alternatives to the request.

An approval, denial, or modification of the request will be issued within ten business days of this meeting and the necessary steps to implement this accommodation will begin. A copy of this form will also be sent to the supervisor, business manager or district administrator. These copies should be kept within the human resources/payroll department and shared with necessary parties when there is a change in supervision. In the event an employee presents a request for accommodation to their immediate supervisor, the supervisor is expected to inform the human resources/payroll department so that a formal plan may be established and documented. Please refer to Equal Opportunity Employment in the following district policy: [EQUAL OPPORTUNITY EMPLOYMENT- GBA](#)

2.02 Equal Opportunity

It is the policy of the School District of Neillsville that no person may be illegally discriminated against in employment by reason of their age, race, creed, color, disability, pregnancy, marital status, sex, citizenship, national origin, ancestry, sexual orientation, arrest record, conviction record, military service, membership in National Guard, state defense force or any other reserve component of the military forces of Wisconsin or the United States, political affiliation, use or nonuse of lawful products off the employer's premises during nonworking hours, declining to attend a meeting or to participate in any communication about religious matters, the authorized use of family or medical leave or worker's compensation benefits, genetic information, or any other factor prohibited by state or federal law.

Reasonable accommodations shall be made for qualified individuals with a disability, unless such accommodations would impose an undue hardship on the School District of Neillsville. A reasonable accommodation is a change or adjustment to job duties or work environment that permits a qualified applicant or employee with a disability to perform the essential functions of a position or enjoy the benefits and privileges of employment compared to those enjoyed by employees without disabilities.

Requests for accommodations under the Americans with Disabilities Act or under the Wisconsin Fair Employment Act from current employees must be made in writing in accordance with district policy.

Anyone who believes that he or she has been the subject of illegal discrimination shall report the matter in accordance with established complaint procedures in accordance with district policy.

2.03 Fair Labor Standards Act

Certain types of workers are exempt from the minimum wage and overtime pay provisions, including bona fide executive, administrative, and professional employees who meet regulatory requirements under the Fair Labor Standards Act (FLSA). For non-exempt employees, issues concerning overtime, compensatory time off, and minimum wage are found at: <http://www.opm.gov/flsa/>.

2.04 Family and Medical Leave Act

The School District of Neillsville complies with all applicable laws concerning family and medical leave (FMLA). Employees may be eligible for leave under both the federal and state family and medical leave laws. There are different eligibility provisions for these laws, different rights under the laws, and different procedural requirements for employees to follow. The purpose of this policy is to briefly describe some of the rights and responsibilities of employees under these laws. However, this policy does not, nor is it intended to, spell out every right and responsibility under the two laws. If an employee has any questions or desires additional information, the employee should contact the human resources/payroll department. When both laws apply, the leaves under state and federal law will run concurrently and the provisions more beneficial to the employee will apply. Medical leaves that qualify under the FMLA will also run concurrently with leaves under short- and long-term disability policies, worker's compensation, and other laws, as applicable and as allowed by law.

To qualify for federal FMLA leave, employees must be employed by the School District of Neillsville for a total of at least twelve (12) months and have actually worked at least 1,250 hours in the preceding twelve (12) month period. To qualify for Wisconsin FMLA, employees must have been employed for more than fifty-two (52) consecutive weeks and have worked or been paid at least 1,000 hours in the preceding fifty-two (52) weeks.

Employees on FMLA leave may not engage in any other employment that is inconsistent with the reason for the employee's FMLA leave.

The School District of Neillsville will not use the taking of FMLA leave in compliance with the law as a basis for any adverse employment decision. Employees should direct any questions regarding FMLA leave to the district administrator.

General Leave Rights

Federal FMLA: Under the federal FMLA, eligible employees are allowed up to twelve (12) workweeks of unpaid leave per twelve (12) month period for the following reasons (see also Military Family Leave below):

- The employee's own serious health condition that makes the employee unable to perform the functions of his or her position
- To care for the employee's spouse, child or parent with a serious health condition
- For the birth of the employee's child, or placement of a child for adoption or foster care with the employee
- For incapacity due to pregnancy, prenatal medical care or childbirth

Wisconsin FMLA: The Wisconsin FMLA permits eligible employees to take unpaid leave for the following reasons:

- Two (2) weeks for the employee's own serious health condition
- Two (2) weeks to care for the employee's spouse, child, domestic partner, parent, parent-in-law, or parent of a domestic partner with a serious health condition
- Six (6) weeks to care for the employee's child after birth or adoption

The School District of Neillsville will calculate the federal FMLA twelve (12) month period as the calendar year. Under federal FMLA, leave for birth, adoption or foster care placement must be concluded within twelve (12) months of the birth or placement for adoption or foster care. If both parents work for the School District of Neillsville, the employees will share one twelve (12) week leave for the birth or placement of a child.

The Wisconsin FMLA entitlement will run on a calendar year basis. Any leave for the birth or adoption of a child taken under Wisconsin FMLA must start within sixteen (16) weeks of the birth or adoption of the child.

Military Family Leave: The federal FMLA provides for military family leave. Several provisions of this FMLA policy (including employee notice provisions and certification requirements) apply to military family leave as well.

There are two types of military family leave:

Qualifying Exigency Leave: Eligible employees with a spouse, son, daughter or parent on covered active duty or called to covered active-duty status may use their twelve (12) week FMLA entitlement to address certain qualifying

exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare or parental care, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings. The twelve (12) weeks of leave afforded for a qualifying exigency is not in addition to the general twelve (12) weeks afforded under the federal FMLA. An employee is entitled to no more than twelve (12) total weeks of leave for any combination of personal, family or qualifying exigency military FMLA.

Servicemember Care Leave: Eligible employees may also take up to twenty-six (26) weeks of leave during a single twelve (12) month period to care for an ill or injured service member who is the employee's spouse, parent, child, or "next of kin" who is a covered servicemember. A covered servicemember is a current member of the Armed Forces (including National Guard or Reserves) or a covered veteran who is undergoing medical treatment, recuperation, or therapy (or, for current members, is otherwise in outpatient status or on the temporary disability retired list) for a serious injury or illness. In the case of a current member, a "serious injury or illness" means an injury or illness that was incurred in the line of duty on active duty in the Armed forces or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty and that may render the servicemember medically unfit to perform his or her duties. In the case of a covered veteran, a "serious injury or illness" is the same as for a current member except that it must also meet any one of the following requirements: it must be (1) an injury that forms the basis for the veteran's enrollment in the VA's program of Comprehensive Assistance for Family Caregivers, (2) a physical or mental condition that substantially impairs the veteran's ability to work because of disability or disabilities related to military service, or would do so absent treatment, (3) a physical or mental condition for which the veteran has received a VASRD of fifty (50) percent or greater, and the need for military caregiver leave is related to that condition; or (4) a continuation of a serious injury or illness that was incurred or aggravated when the veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember's office, grade, rank, or rating. The twenty-six (26) weeks of leave afforded for servicemember care is not in addition to the general twelve (12) weeks afforded under the federal FMLA.

Married Employees: Married employees who both work for the School District of Neillsville are limited to no more than an aggregate of twenty-six (26) weeks of leave between them for military family leave.

School Year Employees: If a school year employee is on leave at the end of one school year and the beginning of another, the leave will be considered consecutive, not intermittent, and the employee will be provided with any benefits over the summer vacation that he/she would normally receive if the employee had been working at the end of the school year. Summer vacation is not counted against a school year employee's FMLA leave entitlement.

Definitions of "child" and "parent": Under both state and federal FMLA laws, "child" means a biological, adopted or foster child, step child, or legal ward. Under federal FMLA law, "child" also includes a child for whom the employee provides day to day care and financial support. Under both state and federal FMLA laws, a "child" must either be under age eighteen (18) or be eighteen (18) years or older and unable to care for him/herself because of a mental or physical disability (federal FMLA) or serious health condition (Wisconsin FMLA). Under both state and federal laws, "parent" means biological parent, foster parent, adoptive parent, or step parent. Under federal FMLA law, "parent" includes an individual who was responsible for the day-to-day care and financial support of the employee when the employee was a child but does not include parents of an employee's spouse or domestic partner. Under state FMLA law, "parent" includes parents of an employee's spouse or domestic partner.

Serious Health Condition: A serious health condition is an injury, illness, impairment or physical or mental condition that involves:

- Inpatient care in a medical care facility; or
- Continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job or prevents a qualified family member from participating in school or other daily activities.

Continuing treatment by a health care provider includes:

1. A period of incapacity of more than three (3) consecutive full calendar days combined with at least two (2) visits to a health care provider or one (1) visit and a regimen or continuing treatment under the supervision of a health care provider (time limits apply to health care provider visits) (Under the Wisconsin FMLA, the requirement for more than three (3) consecutive calendar days of incapacity does not apply.);

2. Any period of incapacity due to pregnancy or prenatal care;
3. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
4. A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective; or
5. Any period of absence to receive multiple treatments by a health care provider or for a condition that would likely result in a period of incapacity of more than three (3) consecutive calendar days in the absence of medical intervention or treatment.

Notification and Certification: Whenever possible, employees must give at least thirty (30) days' written notice of the need for FMLA leave. When thirty (30) days' notice is not possible, employees are expected to give as much written notice as is practical. Please see the human resources/payroll department for FMLA request forms. Normal call-in procedures must also be followed for all FMLA absences. If an employee does not expressly request family or medical leave, but requests leave for a reason that might qualify as family or medical leave, the School District of Neillsville may provide the employee with a leave request form to fill out and return to the district administrator as soon as possible in order to determine whether the leave requested qualifies as FMLA leave. The School District of Neillsville may temporarily designate the leave as FMLA leave.

When requesting FMLA, employees must give sufficient information to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, a family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees must also inform the School District of Neillsville if the requested leave is for a reason for which FMLA leave was previously taken or certified.

The School District of Neillsville may require an employee who is requesting FMLA leave to provide medical certification for the leave. Employees will have fifteen (15) days in which to provide the completed certification, except in extenuating circumstances. If an employee fails to provide adequate certification in a timely manner, the employee's leave request or continuation of leave may be delayed or denied altogether. The School District of Neillsville may directly contact the employee's health care provider for authentication or clarification purposes using a health care professional, an HR professional, leave administrator or management official. The School District of Neillsville may also require clarification of an incomplete or insufficient certification. Before the School District of Neillsville makes direct contact with the health care provider, the employee will be given an opportunity to resolve any deficiencies in the medical certification as required by law.

The School District of Neillsville may require a second medical opinion at its expense regarding a serious health condition from a health care provider of its choice. If the first two opinions differ, the School District of Neillsville may obtain a third opinion at its expense from a mutually agreed upon health care provider. The third opinion shall be binding on the parties. The School District of Neillsville may deny FMLA leave to an employee who refuses to release relevant medical records to the health care provider designated to provide a second or third opinion. The employee will be provisionally entitled to leave and benefits under the FMLA pending the second and/or third opinion. Recertification and periodic reports regarding the employee's status and intent to return to work may also be required as allowed by law.

The School District of Neillsville will inform employees who have requested leave whether they are eligible for leave, specify any additional information needed, and inform the employee of their rights and responsibilities. If the employee is not eligible for leave, the School District of Neillsville will provide a reason for the ineligibility. The School District of Neillsville will also inform eligible employees whether requested leave will or will not be designated as FMLA leave and the amount of leave that will be counted against the employee's leave entitlement.

Recertification: The School District of Neillsville may request recertification for the serious health condition of the employee or the employee's family member as allowed by law. In seeking recertification, the School District of Neillsville may provide the employee's health care provider with the employee's attendance records and to confirm whether the employee's absences are consistent with the employee's serious health condition.

Intermittent Leave: An employee may take any leave covered by Wisconsin FMLA as intermittent leave, provided the employee provides notice as required by the law. The last increment of intermittent leave for the birth or adoption of

a child under Wisconsin FMLA must begin within sixteen (16) weeks after the birth or placement for adoption of the child.

For leaves covered only by federal FMLA, an employee may take “intermittent” or “reduced schedule” leave, if medically necessary, for the employee’s own serious health condition, to care for a spouse, parent, or child with a serious health condition, and to care for a covered servicemember with a serious injury or illness. Employees must make reasonable efforts to schedule leave for planned medical treatment so as to not unduly disrupt the School District of Neillsville’s operations. To the extent an employee has control, medical appointments and treatments related to a serious health condition should be scheduled outside of working hours or at such times that allow for a minimal amount of time away from work. For medically necessary intermittent or reduced schedule leave that is foreseeable based on planned medical treatment for the employee, a family member, or a covered servicemember, the School District of Neillsville may temporarily transfer an employee taking such leave to a position with equivalent pay and benefits if the new position better accommodates the leave. Military leave due to qualifying exigencies may also be taken on an intermittent basis. Employees may also take intermittent FMLA leave for the birth, adoption or foster placement of a child during the federal-only portion of their FMLA leave.

In addition, special rules apply to intermittent leave for “instructional” employees under the federal FMLA. The special rules apply to intermittent or reduced schedule leave or leave near the end of a semester. “Instructional employees” are employees whose principal function is to teach students in a class, small group, or individual setting, and includes athletic coaches, driving instructors, and special education assistants such as signers for the hearing impaired. It does not include assistants or aides who do not actually teach nor does it include auxiliary personnel such as counselors, psychologists, or curriculum specialists, or non-instructional support staff. The special rules for “instructional” employees include:

If an eligible employee needs intermittent leave or leave on a reduced leave schedule to care for a family member with a serious health condition, to care for a covered servicemember, or because of the employee’s own serious health condition, which is foreseeable based on planned medical treatment, and the employee will be on leave for more than twenty (20) percent of the total number of working days over the period the leave would extend, in order to minimize the disruption to the educational process, the School District of Neillsville may require the employee to choose either to:

- take leave for a particular duration, not longer than the duration of the planned treatment. If the employee chooses this option, the entire amount of leave will be counted against his/her FMLA leave entitlement; or
- transfer temporarily to an available alternative position, for which he/she is qualified, which has equivalent pay and benefits, and which better accommodates recurring periods of leave.

If the employee does not give required notice of foreseeable leave to be taken intermittently or reduced leave schedule, the School District of Neillsville may require the employee to take leave of a particular duration, or to transfer temporarily to an alternative position, or delay the taking of leave until the employee has given the necessary notice.

If the employee begins a leave more than five weeks before the end of a semester, less than five weeks before the end of a semester, and less than three weeks before the end of a semester, special rules apply:

- If the employee begins leave more than five weeks before the end of a semester, the leave will last at least three weeks, and the employee would return to work during the three-week period before the end of the semester, the School District of Neillsville may require the employee to continue taking leave until the end of the semester.
- If the employee begins leave during the five-week period before the end of a semester because of the birth of a son or daughter; the placement of a son or daughter for adoption or foster care; to care for a spouse, son, daughter, or parent with a serious health condition; or to care for a covered servicemember, the School District of Neillsville may require the employee to continue taking leave until the end of the semester if the leave will last more than two weeks, and the employee would return to work during the two-week period before the end of the semester.
- If the employee begins leave during the three-week period before the end of a semester because of the birth of a son or daughter; the placement of a son or daughter for adoption or foster care; to care for a spouse, son, daughter, or parent with a serious health condition; or to care for a covered servicemember, the School District of

Neillsville may require the employee to continue taking leave until the end of the semester if the leave will last more than five working days.

- If the School District of Neillsville requires the employee to continue taking leave to the end of the semester, only the period of leave until the employee is ready and able to return to work will be charged against the employee's FMLA leave entitlement. However, the School District of Neillsville will maintain the employee's group health insurance and restore the employee to the same or equivalent job including other benefits at the conclusion of the leave.

Substituting Paid Time Off

Use Of Paid Leave: If qualified, WFMLA allows you to take up to ten (10) days of unpaid leave prior to FFMLA allowing the district to require that you take all available paid leave. Once paid leave is exhausted, the remainder of leave will be unpaid.

During any portion of leave that is covered by the federal FMLA only, the School District of Neillsville may restrict the use of paid time as allowed by law.

In cases where substitution of a paid benefit is not possible, the employee will generally receive reduced compensation consistent with the number of hours the person actually works.

Benefits During Leave: An employee's coverage under group health plans (i.e., group health and dental coverage) will be maintained during the period of an FMLA leave as required by the Wisconsin and federal FMLA laws and in accordance with the applicable terms of the plans.

Employees who take the school districts group health insurance must continue to pay their portion of premium during the period of FMLA leave.

If the School District of Neillsville maintains an employee's insurance during an FMLA leave, and the employee does not return from FMLA leave, under certain circumstances the district will have the right to recover the total cost of the insurance premiums paid during the employee's leave, as allowed by law.

Benefit Accruals: If an employee substitutes accrued paid leave for unpaid FMLA leave in order to remain fully compensated, the employee will continue to accrue paid time off at the rate at which the employee accrued such time prior to leave. If the leave is partially paid, the employee will accrue paid time off at a prorated rate. Once the employee stops receiving pay, the employee will no longer accrue paid time off during an FMLA leave. Use of FMLA cannot result in the loss of any employment benefit that accrued prior to the start of the employee's leave. Other benefit accruals may be suspended during the period of the leave and will resume upon return to active employment. An employee should check with the district administrator regarding other benefit continuation provisions.

Worker's Compensation Absences: When an employee is absent due to a work-related illness or injury which meets the definition of a serious health condition, the absence will be counted against the employee's allotment of FMLA leave under federal law. In other words, the employee is using federal FMLA leave concurrently with the worker's compensation absence.

Early Return From Leave: An employee who wishes to return to work earlier than originally anticipated should provide at least two (2) days' notice of such request. A fitness for duty certification may be required.

Returning to Work at the End of Leave: Employees who return to work from FMLA leave within the timeframes protected by the FMLA laws will be returned to their former position or, if that position is no longer available, an equivalent position with equivalent pay, benefits and other employment terms. If an employee wishes to return to work before his/her leave is to end, and work is available, the employee must notify the district administrator at least two (2) days prior to the desired return date. If an employee took FMLA leave for his/her own serious health condition, a fitness for duty certification will be required before the employee may return to work. In such cases, an employee's return will be delayed until such a certification is received.

Failure to Return to Work at End Of FMLA-Protected Leave: If an employee fails to return to work after the expiration of an FMLA-protected leave, the employee's rights under state and federal FMLA laws will no longer be in effect and the employee will be subject to immediate termination. If the employee's inability to return to work is due to the continuation, recurrence or onset of the employee's own serious health condition, or of the serious health condition of the employee's spouse, child or parent, the School District of Neillsville will consider a request for a further unpaid leave. However, the employee must submit a written request for consideration of a further leave as soon as the employee realizes that he/she will not be able to return at the expiration of the FMLA-protected leave period. The School District of Neillsville will consider each such request on a case by case basis. There is no guarantee that a further leave will be granted.

Failure To Meet Policy Requirements: If the employee fails to meet the requirements of this policy for family or medical leave, the request for leave will be denied until the requirements are met.

Extension of Leave: You may submit requests for additional unpaid extensions of leave to the human resources/payroll department. The School District of Neillsville reserves the right to accept or deny these requests as well as the right to request a doctor's certificate prior to granting any extension.

"Key Employees": Certain "key employees" as defined by law may not be eligible for reinstatement to their jobs or equivalent positions following a leave if reinstatement would cause the School District of Neillsville hardship.

See FMLA Posters, which are posted in the lounges of each building.

3.02 Anti-Idling Policy

The School District of Neillsville is committed to providing a healthy and productive environment for all persons using our school. In light of the significant risk posed by school bus exhaust emissions, especially to children, the School District of Neillsville is implementing an anti-idling policy. This policy is intended to improve the health and safety of all individuals in or around the school and school grounds and reduce risks associated with exposure to diesel exhaust (such as aggravated respiratory and cardiovascular conditions, decreased lung function, acute respiratory symptoms, and chronic bronchitis). The implementation of this policy to reduce exposure of children to school bus exhaust emissions, also known as diesel exhaust emissions. The School District of Neillsville requires all buses to limit their idling on school grounds to improve surrounding air quality; protect the health of drivers, students, and others; conserve fuel (save money); and decrease engine wear. The following steps indicate the exact timing of specific changes to current operations and outline the procedures for conflict resolution and enforcement.

- A. Policy Guidelines to Reduce Exposure to School Bus Exhaust Emissions: These rules apply to any bus service, including home-to-school, activity, or charter transportation.
 - During morning start-ups, buses should idle no longer than necessary to bring engines to proper operating temperature and to defrost all windows.
 - When arriving at your location, all buses should be shut off as soon as it is practical; buses should not idle while waiting for passengers.
 - While waiting for passengers to board at their place of origin, all engines should be shut off.
- B. Exceptions to the policy: Exceptions to the policy may be made when the air temperature is below thirty-two (32) degrees, and when it is necessary to run the engine to operate required safety equipment or to maintain a safe environment for passengers with special health needs. The following are guidelines for maximum engine idling:
 - Above 32° F: 3 minutes
 - Between -10° and 32° F: 10 minutes
 - Below -10° F: no limit
- C. Conflict Resolution: Bus drivers, employees, and visitors are expected to honor the anti-idling policy at all school buildings and facilities by shutting off their engines upon arrival. Individual complaints or concerns regarding the implementation and/or enforcement of this policy should be discussed with the maintenance supervisor of buildings and grounds, who will contact the individual bus driver. Concerns about staff or parents who idle their vehicles on school grounds can be directed to the Board of Education Office.

The determination of such NSF Certified appliances is performed by identifying the location of the product/appliance manufacture label/tag and identifying the NSF Certification on the manufacture label/tag, or lack thereof.

The following are examples of NSF Certification Logos:

Extreme caution should be used when committing confidential information to electronic messages, as confidentiality cannot be guaranteed.
 - 1. The School District of Neillsville may review email logs and/or messages at its discretion. Because all computer hardware, digital communication devices and software belong to the School District of Neillsville, users have no reasonable expectation of privacy, including the use of email, text-message and other forms of digital communications (e.g., voicemail, Twitter™, Facebook™, etc.).

2. Electronic mail transmissions and other use of the School District of Neillsville's electronic communications systems or devices by employees shall not be considered confidential and may be monitored at any time by designated School District of Neillsville staff to ensure appropriate use. This monitoring may include but is not limited by the following: activity logging, virus scanning, and content scanning. External electronic storage devices are subject to monitoring if used with district resources.
- B. User Responsibilities: Network/Internet users (students and district employees), like traditional library users, are responsible for their actions in accessing available resources. The following standards apply to all users (students and employees) of the Network/Internet:
1. The user in whose name a system account is issued will be responsible at all times for its proper use. Users may not access another person's account without written permission from an administrator or immediate supervisor.
 2. The system may not be used for illegal purposes, in support of illegal activities, or for any other activity prohibited by district policy.
 3. Users may not redistribute copyrighted programs or data without the written permission of the copyright holder or designee. Such permission must be specified in the document or must be obtained directly from the copyright holder or designee in accordance with applicable copyright laws, district policy, and administrative regulations.
 4. A user must not knowingly attempt to access educationally inappropriate material. If a user accidentally reaches such material, the user must immediately back out of the area on the Internet containing educationally inappropriate material.
 5. A user may not disable internet tracking software or implement a private browsing feature on School District of Neillsville computers or networks. Browsing history shall only be deleted by authorized staff or in accordance with the district's technology department's directives.
- C. Electronic Communications with Students: Employees are prohibited from communicating with students who are enrolled in the district through electronic media, except as set forth herein. An employee is not subject to this prohibition to the extent if the employee has a pre-existing social or family relationship with the student.
1. For example, an employee may have a pre-existing relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. The following definitions apply for purposes of this section on Electronic Communication with Students:
 - a. "Authorized Personnel" includes classroom teachers, counselors, principals, assistant principals, directors of instruction, coaches, campus athletic coordinators, athletic trainers, and any other employee designated in writing by the district administrator or a building principal.
 - b. "Communicate" means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a communication; however, the employee may be subject to district regulations on personal electronic communications. Unsolicited contact from a student through electronic means is not a communication.
 - c. "Electronic media" includes all forms of social media, such as, but not limited to, the following: text messaging, instant messaging, electronic mail (email), Web logs (blogs), electronic forums (chat rooms), video sharing Websites (e.g., YouTube™), editorial comments posted on the Internet, and social network sites (e.g., Facebook™, MySpace™, Twitter™, LinkedIn™), and all forms of telecommunication such as landlines, cell phones, and web-based applications.
- D. Limited Electronic Communication with Students: Authorized Personnel may communicate through electronic media with students who are currently enrolled in the district within the following guidelines:
1. The employee shall limit communications to matters within the scope of the employee's professional responsibilities.
 2. If an employee receives an unsolicited electronic contact from a student that is not within the employee's professional responsibilities, the employee is expected to reply to the student one time. That response should indicate that the student's communication is not within the employee's professional responsibilities and that no further communications will take place between that student and the employee. After that communication, the employee shall not respond to the student using any electronic media except to address a health or safety emergency.

3. The employee is prohibited from communicating with students through a personal social network page; the employee must create a separate social network page ("Professional page") for this purpose. The employee must enable administration and parents to access the employee's professional page.
 4. Only a teacher, coach, trainer, or other employee who has an extracurricular duty may communicate with students through text messaging. The employee may communicate only with students who participate in the extracurricular activity over which the employee has responsibility.
 5. Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with any one or more currently enrolled students.
 6. The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, including:
 - a. prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student;
 - b. confidentiality of student records; and,
 - c. confidentiality of other district records, including educator evaluations, credit card numbers, and private email addresses.
 - d. Upon written request from a parent, the employee shall discontinue communicating with the parent's minor student through email, text messaging, instant messaging, or any other form of one-to-one communication.
 - e. An employee may request an exception from one or more of the limitations above by submitting a written request to the employee's immediate supervisor.
- E. Retention of Electronic Communications and other Electronic Media: The School District of Neillsville archives some non-spam emails sent and/or received on the system in accordance with the district's adopted record retention schedule. After the set time has elapsed, email communications may be discarded unless the records may be relevant to any pending litigation, pending public records request, or other good cause exists for retaining email records. Employees who create pupil records via email need to ensure that pupil records are retained for the period of time specified by the pupil records law. For this reason, the School District of Neillsville heavily discourages the use of email as the means to communicate about individually identifiable students.
- F. Electronic Recording: Employees shall not electronically record by audio, video, or other means, any conversations or meetings unless each and every person present has been notified and consents to being electronically recorded. Persons wishing to record a meeting must obtain consent from anyone arriving late to any such meeting. Employees shall not electronically record telephone conversations unless all persons participating in the telephone conversation have consented to be electronically recorded. These provisions are not intended to limit or restrict electronic recording of publicly posted board meetings, grievance hearings, and any other board sanctioned meeting recorded in accordance with board policy. These provisions are not intended to limit or restrict electronic recordings involving authorized investigations conducted by School District of Neillsville personnel, or authorized agents of the district, or electronic recordings that are authorized by the district, (e.g. surveillance videos, extracurricular activities, voicemail recordings).
- G. Compliance with Federal, State and Local Law: For all electronic media, employees are subject to certain state and federal laws, local policies, and administrative regulations, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off district property. These restrictions include:
 1. Confidentiality of student records.
 2. Confidentiality of other district records, including educator evaluations and private email addresses.
 3. Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law.
 4. Prohibition against harming others by knowingly making false statements about a colleague or the district.
- H. Personal Web Pages: Employees may not misrepresent the district by creating, or posting any content to, any personal or non-authorized website that purports to be an official/authorized website of the School District of Neillsville. No employee may purport to speak on behalf of the district through any personal or other non-authorized website.
- I. Disclaimer: The School District of Neillsville's electronic systems are provided on an "as is, as available" basis. The School District of Neillsville does not make any warranties, whether expressed or implied, including, without limitation, those of merchantability and fitness for a particular purpose with respect to any services provided by the system and any information or software contained therein. The School District of Neillsville does not warrant that

the functions or services performed by, or that the information or software contained on the system will meet the system user's requirements, or that the system will be uninterrupted or error-free, or that defects will be corrected. Opinions, advice, services, and all other information expressed by system users, information providers, service providers, or other third-party individuals in the systems are those of the individual or entity and not the School District of Neillsville. The School District of Neillsville will cooperate fully with local, state, or federal officials in any investigation concerning or relating to misuse of the district's electronic communications system.

3.12 Confidentiality

Student information that employees obtain as the result of their employment with the School District of Neillsville is confidential, and protected by law, unless such information has been designated as pupil directory data. The law and respect for our students requires that student issues are only discussed with employees and parents/guardians who need to know the information. In addition to student information, confidentiality is expected in other areas, including employee or district business information. Any requests for School District of Neillsville records shall be referred to the appropriate administrator.

3.13 Conflict of Interest

A conflict of interest is defined as any judgment, action or relationship that may benefit an employee or another party the employee is affiliated with because of the employee's position with the School District of Neillsville. Employees are asked to avoid outside activity that may compete with or be in conflict with the best interests of the School District of Neillsville. Employees must disclose to their immediate supervisor information of any transaction that may be considered a conflict of interest as soon as they know the facts. No employee may use his or her position to obtain financial gain or anything of substantial value for the private benefit of himself or herself or his or her immediate family, or for an organization with which he or she is associated.

3.14 Copyright

A variety of machines and equipment for reproducing materials to assist staff in carrying out their educational assignments are available to staff in both the school and home setting. Infringement on copyrighted material, whether prose, poetry, graphic images, music audiotapes, video or computer-programmed materials, is a serious offense against federal law, a violation of board policy and contrary to ethical standards required of staff. All reproduction of copyrighted material shall be conducted strictly in accordance with applicable provisions of law. Unless otherwise allowed as "fair use" under federal law, permission must be acquired from the copyright owner prior to reproduction of material in any form. Employees are further advised that copyright provisions apply to all forms of digital media. Questions regarding copyright shall be directed to the district administrator.

3.15 Criminal Background Checks/Charges/Convictions for Active Employees

Obligation to Report: Every School District of Neillsville employee shall notify their immediate supervisor, principal or district administrator as soon as possible, but no more than five (5) calendar days after any arrest, indictment, conviction, no contest or guilty plea, or other adjudication of the employee for any felony, any offense involving moral turpitude, and any of the other offenses as indicated below:

1. Crimes involving school property or funds;
2. Crimes involving attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit that would entitle any person to hold or obtain a position as an educator;
3. Crimes that occur wholly or in part on school property or at a school-sponsored activity;
4. A misdemeanor which involves moral turpitude (e.g., an act or behavior that gravely violates moral sentiments or accepted moral standards of the community); or
5. A misdemeanor which violates the public trust.

The requirement to report a conviction or deferred adjudication shall not apply to minor traffic offenses. However, an offense of operating under the influence, revocation or suspension of license, and driving after revocation or suspension must be reported if the employee drives or operates a School District of Neillsville vehicle or a piece of mobile equipment or transports students or staff in any vehicle. Failure to report under this section may result in disciplinary action, up to and including termination. Such report shall be made as soon as possible, but in no circumstance more

than three (3) calendar days after the event giving rise to the duty to report. The School District of Neillsville may conduct criminal history and background checks on its employees. An arrest, indictment or conviction of a crime shall not be an automatic basis for an adverse employment action. Conviction of a non-felonious crime shall not be an automatic basis for an adverse employment action. The School District of Neillsville shall consider the following factors in determining what action, if any, should be taken against an employee who is convicted of a nonfelonious crime during employment with the district:

1. The nature of the offense;
2. The date of the offense;
3. The relationship between the offense and the position to which the employee is assigned.

For any employee who is convicted of a felony and has not been pardoned, the School District of Neillsville shall have discretion to terminate that individual's employment or to non-renew the employee's contract. Nothing herein shall prohibit the School District of Neillsville from placing an employee on administrative leave or from suspending an employee based upon an arrest, indictment or conviction.

3.16 District Organizational Chart

The Board of Education desires the district administrator to establish clear understanding on the part of all personnel of the working relationships in the school system. Lines of direct authority should be those approved by the board and shown on the School District of Neillsville's organizational chart.

Personnel shall be expected to refer matters requiring administrative action to the administrator/supervisor to whom they are responsible. The administrator/supervisor shall refer such matters to the next higher administrative authority when necessary. Additionally, all personnel will be expected to keep the person to whom they are immediately responsible informed of their activities by whatever means the person in charge deems appropriate.

It is expected that the established lines of authority will serve most purposes. All personnel shall, however, have the right to appeal any decision made by an administrative authority to the next higher authority and through the appropriate successive steps to the Board of Education.

Additionally, the lines of authority do not restrict in any way the cooperative, sensible working together of all staff members at all levels in order to develop the best possible school programs and services. The established lines of authority represent direction of authority and responsibility and represent avenues for a two-way flow of ideas to improve the program and operations of the school system.

School District of Neillsville employees are judged not only by their service but also by their appearance. It is the School District of Neillsville's expectation that every employee's appearance is consistent with the high standards we set for ourselves as a district. The School District of Neillsville expects that all employees are neat, clean, wear appropriate dress for work that is in good taste, free of rips, tears, and suitable for the job at hand. The School District of Neillsville expects dress or attire from school employees that is not considered disruptive, inappropriate, or which adversely affects the educational atmosphere. At a minimum, staff are expected to follow the School District of Neillsville's student dress code policy.

3.33 Personal Files

An employee shall have the right, upon request and consistent with the timelines and content limitations specified in state law, to obtain or review a copy of the employee's personnel file. Personnel files are stored electronically, and employees may request to review an electronic copy of the personnel file. 3.34 Personal Property

Liability: The School District of Neillsville does not assume any responsibility for loss, theft or damages to personal property. Any personal items that will be left overnight must receive prior approval from the employee's immediate supervisor. Any items that have not received prior approval must be removed.

3.35 Physical Examination

The School District of Neillsville requires, as a condition of employment, that all employees obtain a physical examination, including a tuberculin survey prior to the first date of work. Freedom from tuberculosis in a communicable form is a condition of employment. If the employee's tuberculin survey indicates a need for a test, a test is required. If a skin test is positive, a chest x-ray shall be required.

The School District of Neillsville shall pay the cost for any required testing and physical examination, which shall be performed by the school's authorized clinic. If an employee chooses to go to their own personal physician, the employee will be required to pay any additional fees above the cost of the school appointed clinic.

The physician conducting the physical examination shall prepare a report of the examination on a form prepared by the Department of Public Instruction (DPI) and available upon the DPI website. The physician shall use the report form to certify to the School District of Neillsville that the person is free from tuberculosis in a communicable form. Subsequent physical examinations will be required at intervals determined by the school board, consistent with state and federal laws and any applicable collective bargaining agreement provisions.

An employee may request an exemption from the physical examination requirement for religious reasons by filing an affidavit with the School District of Neillsville stating that the employee depends exclusively upon prayer or spiritual means for healing in accordance with the teachings of a bona fide religious sect, denomination or organization and that the employee is to the best of their knowledge and belief in good health and that the employee claims exemption from health examination on these grounds. If there is reasonable cause to believe that an employee who has requested an exemption is suffering from an illness detrimental to the health of the pupils, the School District of Neillsville may require a health examination sufficient to determine whether the employee is suffering from such an illness. The School District of Neillsville shall not discriminate against any employee for filing an affidavit seeking an exemption from the physical requirement.

The School District of Neillsville shall maintain all physical examination records and other medical records in a file separate from all other personnel records, and shall treat such records as confidential medical records, in accordance with state and federal laws and regulations.

3.36 Political Activity

Employees are free to engage in political activity outside of work hours and to the extent that it does not adversely affect the performance of job duties, working relationships or district operations. When engaging in political activity or engaging in discussions of issues of public importance, employees are expected to ensure that their actions and positions are not attributed to the employer. Employer resources may not be used for promoting a particular candidate or political party or for advocating a particular position on an issue that has become identified as the viewpoint of a particular candidate or party.

Definition of "Employer Resources": Employees may not use employer resources for political activities. Employer resources include office supplies, electronic equipment including e-mail, facsimile and photocopying machines, bulletin boards and other public spaces. Use of bulletin boards requires authorization of the building principal and is off-limits to public use.

Definition of "Political" Activities: Partisan "political" activities must be conducted independent of your role as an employee. The following guidelines are not exhaustive but are intended to help in differentiating between those activities that may be viewed as harmful to workplace functioning and those activities that generally fall outside the "political" activities subject to employer restrictions and intervention. Employees are expected to avoid the following political activities:

- Using working hours or employer resources to solicit money or signatures or to make political contributions.

- Using non-work hours to solicit contributions, signatures or services from other employees who are on work time.
- Posting political materials in areas open to the public (generally, individual work stations that are not available to the public are exempted from this restriction)
- Using the employer's mailing address as the return address for political solicitations
- Providing employer mailing lists to any individual or organization for political solicitations if this information is not generally available to the public. (Note: the use and distribution of employer mailing lists to outside parties always requires prior authorization including an assessment of whether fees should be charged to cover production costs)
- Providing a forum for an individual candidate to promote his or her campaign without giving an equal opportunity to other candidates, for the same office, to participate in the forum.
- Political advocacy in the form of clothing items, armbands and buttons that cause a disruption in operations and/or violate the rights of others including the right to be free from discrimination, harassment and intimidation in the workplace.

These guidelines are not intended to discourage discussion of controversial issues in the classroom, where such discussions are consistent with the School District of Neillsville curriculum guidelines and teaching methods.

This policy is not intended to limit the off-duty activities of employees where district buildings and property are made available to community groups for meetings and gatherings.

Nothing in this policy limits the rights of the School District of Neillsville to sponsor non-partisan political forums in support of district initiatives, such as building referendums. Nothing in this policy places restrictions on the School District of Neillsville's freedom to invite speakers with political associations to forums that are not open to the general public.

3.37 Professional Growth Requirement to Remain Current

All teachers shall engage in independent and active efforts to maintain high standards of individual excellence. Such efforts shall include keeping current in each specific and applicable area of instruction, board established curriculum, as well as continuing study of the art of pedagogy. In addition to maintaining high standards of excellence for the students and school, the teacher will make themselves available during the contractual year and day to their colleagues for assistance, to the School District of Neillsville for services beyond those specifically required as part of their individual contractual duties, and to the community as a valuable resource.

3.38 School Calendar

The school calendar shall be developed by administration and approved by the school board. The determination of the structure of the days, e.g. instructional, professional development, parent-teacher conferences, workdays, etc., shall be at the discretion of the administration with consultation from employee groups.

6. the employee having been on reemployment opportunity status for twenty-four (24) consecutive months [only applicable to employees where a reemployment process is expressly provided for in other sections of this handbook];
7. failure to return to work the day following the expiration of an authorized leave of absence;
8. failure to notify employer of absence (no call/no show three (3) incidents within a three (3) month time period); or
9. job abandonment

The Board of Education's approval of the resignation/retirement is final and after such a vote, the employee is not able to rescind their resignation/retirement.

3.40 Student Discipline

Staff members are responsible for their own students as well as the entire student body. When sending a student to the office, be sure to call immediately and explain why the student was sent to the office. On all discipline referrals, be sure to include the reason for the referral and any action taken. Referrals will be submitted via EduCLIMBER to assigned staff. Please contact the principal if you need further training in this area. Teachers should make every effort to contact parents/guardians about referrals from their class and note these contacts on the mailed form.

3.41 Student Dismissal

Teachers shall not dismiss their students earlier than the regularly scheduled time without the permission of the building principal or designee. No student shall leave the school premises during school hours without the permission of the principal or designee granted upon written request of the parent/guardian, or for good causes known to the building principal. Telephone requests for excuse of students from school shall be referred to the building principal or designee and honored with caution.

3.42 Solicitations

Individuals, groups and organizations often wish to solicit employees to support a particular activity or organization. This solicitation may be charitable, political or for other purposes. All solicitations of employees must be approved in advance by the district administrator and be consistent with the School District of Neillsville's policy.

3.43 Staff and Student Relations

All School District of Neillsville personnel will recognize and respect the rights of students, as established by local, state, and federal law. Employees shall, at all times, maintain a professional relationship and exhibit a professional demeanor in their interactions with students. Further, employees shall refrain from engaging in any actions or conduct of a sexual nature (verbal or physical) directed toward a student, including, but not limited to, sexual advances, activities involving sexual innuendo, or requests for sexual favors or sexually explicit language or conversation. Employees shall not form inappropriate social or romantic relationships with students, regardless of whether or not the student is eighteen (18) years old. Employees shall not use profane or obscene language or gestures in the workplace.

The board fully supports the right and desire of teachers to maintain a proper disciplinary atmosphere in all classrooms. The board further realizes that this is necessary if students and teachers are to realize maximum effectiveness in the cooperative goals of educational excellence. Please see district policy 2264-Nondiscrimination on the Basis of Sex in Education Programs or Activities and 2266-Nondiscrimination on the Basis of Sex in Education Programs or Activities.

5.03 Procedures

- A. Written Grievance Submission: Only the employee who is subject to the discipline or termination or directly impacted by the issue of workplace safety may file a grievance. The employee must file a grievance within seven (7) days of the date the employee knew or reasonably should have known of the termination, employee discipline or workplace safety issue. The grievance must be in writing on the Employee Grievance Form. On the form, the grievant shall:
 1. identify the category of grievance (i.e., termination of an employee without a contract with a definite term, discipline, or workplace safety);
 2. identify the facts supporting the grievance;
 3. specify the policy, rule, regulation, or law alleged to have been violated, and the rationale supporting the grievance; and
 4. describe the relief requested.

The grievance must be given to the district administrator. If the grievant is the district administrator, the grievance must be given to the board president.

- B. Representatives: Any party involved in the grievance may have a representative present at all levels once the grievance has been filed in writing.
- C. Administrative Decision: The district administrator shall act on the grievance within fourteen (14) days of receipt of the written grievance, unless the district administrator is the grievant in which case the response shall be provided by the School District of Neillsville. The written response shall contain a statement of the basis for the decision to sustain or deny the grievance, and, if denied, the deadline for the grievant to appeal the grievance to an Impartial Hearing Officer (“IHO”).
- D. Impartial Hearing: If the grievant wishes to appeal the administrative decision or board decision described in section five (5) A. or B. above, the grievant must file a written appeal with the board president within seven (7) days of receipt of the administrative decision or board decision requesting a hearing before an IHO. The hearing shall take place within a reasonable time. The IHO shall file a written decision within thirty (30) days after the hearing is concluded, including any post-hearing briefing period, unless the IHO notifies the parties that more time is needed and provides the reasons for the extension.
- E. Appeal of IHO’s Decision: If either party is aggrieved by the decision rendered by the IHO, the aggrieved party may file a written appeal with the School District of Neillsville within ten (10) days of receiving the IHO’s decision. If no appeal is filed within ten (10) days, the decision of the IHO shall become final.

5.04 Time Limits

If the grievant fails to comply with any time periods or other procedures of this policy, the grievance will be deemed resolved and the grievant shall have no further right to pursue or appeal a grievance decision. If the employer fails to comply with any time periods or other procedures of this policy, the grievant may advance the grievance to the next level, and there shall be no other consequence or remedy for the employer’s failure to comply with any time periods or other procedures. A grievance may be withdrawn by the employee at any time. Once a grievance is withdrawn, it cannot be reopened or re-filed. The parties may mutually agree to extend any time deadline. Such extensions shall be non-precedential.

5.05 Termination of an Employee with a Contract for a Definite Term

- A. Termination of an Employee with a Contract for a Definite Term: The procedure for terminating an employee where there is an expectation of continued employment, because of the existence of a contract for a definite term, a “cause” standard or another basis in law or fact, is as follows:
 - 1. The district administrator or designee (or in the case of the termination of the district administrator, an individual designated by the board president) shall notify the employee, in writing, that they intend to recommend that the board terminate the employee’s contract and the basis for that recommendation.
 - 2. The School District of Neillsville shall provide the employee with such due process as is required by law in making its decision on the termination recommendation.
 - 3. In making its decision on the recommendation, the School District of Neillsville shall apply the standard established in the handbook for discharge.
 - 4. The School District of Neillsville shall inform the employee in writing of its decision regarding the termination recommendation. If the employee wishes to appeal a termination decision, the employee must file an appeal requesting an “Impartial Hearing” by filing out a grievance form with the board president within seven (7) days of receiving written notice of termination. If no appeal is filed, the Board of Education’s decision shall be final.
- B. Non-Renewal of a Teacher or Administrator Contract: The procedures for non-renewal of a teacher or administrator contract, respectively, shall be followed, if applicable. If the Board of Education non-renews the contract of a teacher or administrator for reasons other than the elimination of the position or a reduction in staff, and the teacher or administrator wishes to appeal the non-renewal decision, the teacher or administrator shall file an appeal requesting an “Impartial Hearing” by filing out a grievance form with the board president within seven (7) days of receiving final, written notice of non-renewal from the board. If no appeal is filed, the Board of Education’s decision shall be final.

5.06 Procedure for Impartial Hearing

- A. Standard of Review: The standard of review to be applied by the IHO to a board or administrative decision shall be as follows:
1. The review of a board or administrative decision to terminate or discipline an employee or to non-renew an employee's contract shall require deference to the board or administrative decision. The IHO shall apply the standard(s) established by applicable provisions of board policy, handbook, contract and/or common law.
 2. The review of an administrative decision concerning a workplace safety grievance shall require deference to the administrative decision. The decision shall be upheld if it is not "arbitrary and capricious," which shall be defined as an action which is either so unreasonable as to be without rational basis or the result of unconsidered, willful, or irrational choice.
 3. A filing fee for an IHO shall be one hundred dollars (\$100) paid by the grievant.
- B. Impartial Hearing Officer: The IHO shall not be an officer, agent or employee of the board at the time of appointment. The board shall appoint the IHO.
- C. IHO Responsibilities and Authority: The IHO shall do the following:
1. Screen the grievance and determine whether it falls within one of the categories subject to the grievance procedure and whether it has been timely filed.
 2. Provide reasonable notice to the parties of the time and location for the hearing.
 3. When requested by either party, subpoena witnesses as necessary to ensure their testimony.
 4. Make evidentiary findings and conclusions. In the case of a grievance related to a termination or discipline, the IHO shall determine whether a full evidentiary hearing is needed to afford the employee the requisite due process, and, if so, shall allow the grievant to present evidence, call and question witnesses, cross-examine adverse witnesses, obtain copies of evidentiary materials and argue their case. The rules of evidence shall not apply at any hearing; however, depending on the nature of the hearing, a material fact may not be supported solely by hearsay evidence. Additionally, the IHO may exclude or limit irrelevant, repetitive, or redundant evidence or any evidence lacking probative value. The IHO shall act so as to provide a speedy and inexpensive resolution of any appeal brought before the IHO.
 5. If the grievance is sustained in whole or in part, determine the appropriate remedy, provided, however, that the IHO may not award attorney's fees or litigation expenses against the board at any time.
 6. The IHO shall only consider the precise issue(s) submitted on the grievance form and letter of appeal, if applicable, shall apply the applicable standard of review, and shall have no authority to determine any other issue.
 7. The IHO has no authority to make any decision which requires the commission of an act prohibited by law.
 8. The hearing shall be recorded. The IHO shall consider whether to engage a court reporter in lieu of recording the hearing. The grievant may request the opportunity to have the hearing conducted in open session, subject to such other legal requirements relating to confidentiality or privacy which may apply to the subject matter of the hearing.
 9. The IHO shall issue a written decision no more than thirty (30) days after the hearing is concluded, including any briefing period, unless the IHO notifies the parties that more time is needed and the reasons, therefore.
 10. The IHO shall inform the parties that an appeal of the decision may be taken to the board if filed within ten (10) days of the receipt of the IHO's decision, and that if no timely appeal is filed, the IHO's decision shall become final.

5.07 Procedure for Board Review on Appeal of IHO's Decision

- A. If either party is aggrieved by the IHO's decision, either party has the right to file a written appeal with the board within ten (10) days of receiving the IHO's decision. If no timely appeal is filed, the IHO's decision shall become final.

- B. The board president shall provide the parties with ten (10) days notice of any meeting scheduled by the board to hear the appeal.
- C. The board shall review the grievance on the record established by the IHO. Each party may make a brief oral presentation to the board to summarize the party's position as to whether the IHO decision should be sustained, modified or reversed. No factual evidence or argument not presented to the IHO for consideration shall be presented to the board for review. The appeal meeting shall be held in closed session. If the board determines more information is necessary to make a decision, it may remand the matter to the IHO for further proceedings.
- D. The board may affirm, reverse, or modify the IHO's decision. In reviewing a decision concerning termination, non-renewal or discipline, the board shall apply the standard(s) established by applicable provisions of board policy, handbook, contract and/or common law. In reviewing a decision concerning a workplace safety grievance, the board shall apply the same standard as the IHO and shall uphold the administrative decision if it is not "arbitrary and capricious," which shall be defined as an action which is either so unreasonable as to be without rational basis or the result of unconsidered, willful, or irrational choice.
- E. Procedural errors which do not have a substantial effect on the rights of the parties shall not be grounds for reversal of any decision.
- F. The board's decision shall be final. The board shall send the grievant and the district administrator a written statement of its decision within a reasonable time after hearing the appeal.

Any absence requiring prior approval from a supervisor may be denied. These absences include: personal time, sick time, vacation, bereavement, school business, and unpaid time off. The School District of Neillsville will set a threshold for pre-planned absences requiring a substitute in order to ensure that there is adequate substitute coverage.

17.02 Attendance, Absenteeism, and Tardiness for Employees

The success and efficiency of the School District of Neillsville relies on the timely and consistent attendance of its employees. The School District of Neillsville expects employees to make every effort to be present for work and to adhere to their assigned schedule.

Employees must notify their immediate supervisors of any absence or departure from scheduled work hours through compliance with the provisions described in the policy relating to the reason for the absence. Failure to notify the School District of Neillsville of an absence and failure to report to work on such day could result in disciplinary action up to and including termination.

Employees will be considered tardy if they arrive at work after the start of their regularly scheduled workdays without a valid reason for their late arrivals, as determined by the School District of Neillsville, and prior notification to their immediate supervisors. Employees who are absent for part or all of a regularly scheduled workday without prior notification to their immediate supervisors, and approval from their immediate supervisors when required by policy, will result in said absences being considered unexcused.

The School District of Neillsville will monitor attendance and absence patterns. Theft of time and/or improper modification of time-worked records will be investigated and will result in disciplinary action up to and including termination. Excessive absences (including tardiness), unexcused absences, abuse of leave, or other failure (including failure to return to work the day following the expiration of an authorized leave of absence) to comply with district policies or instructions may result in discipline, up to and including termination.

Any time not worked during your normally scheduled workday must be reported in the districts time management system.

In such circumstances, it is the employees' responsibility to keep the district informed as to the status of the restrictions and any changes to them. The School District of Neillsville, pursuant to the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) and state law, offers employees the opportunity to remain on the district's health and dental insurance plan at the group rate in certain instances where coverage under the plan would otherwise end.

- A. Qualifying Events: An employee, employee's spouse and an employee's dependent children (if any) covered by and participating in the School District of Neillsville's health insurance plan (medical and dental), may qualify for continuation coverage if district-sponsored coverage is lost due to the occurrence of any of the following qualifying events:
1. Voluntary or involuntary termination of employment for any reason other than "gross misconduct." (e.g., resignation or retirement);
 2. Death of the covered employee;
 3. Divorce or legal separation from the covered employee;
 4. Loss of "dependent child" status;
 5. Eligibility for Medicare entitlement;
 6. Reduction in work hours such that the employee no longer qualifies for coverage under the plan.
- B. Period of COBRA Continuation: In the event of one of the above qualifying events, COBRA coverage is available for up to eighteen (18) months but may be extended to a total of twenty-nine (29) months in certain cases of disability (see Disability Extension below) or up to thirty-six (36) months if a qualifying spouse or dependent suffers a second qualifying event. The employee, employee's spouse and each covered dependent has an individual right to request COBRA coverage. Additionally, any child born to or placed for adoption with a covered employee during a period of continuation coverage is automatically considered a qualified beneficiary.
- C. COBRA Extension (Second qualifying events): A spouse or dependent child may be eligible for COBRA extension coverage for a period of up to thirty-six (36) months if coverage is lost due to one of the following second qualifying events:
1. The employee's death;
 2. Divorce or legal separation;
 3. The covered employee becomes eligible for Medicare;
 4. A child loses their "dependent child" status. *Note: The second event can be a second qualifying event only if it has caused the qualified beneficiary to lose coverage under the plan in the absence of the first qualifying event.
- D. Premium Cost & Payment: The cost for this extended continuation coverage shall not exceed the group rate in effect for an active group member, including the School District of Neillsville's contribution (i.e., the total amount the employee and district have been paying for health insurance coverage). If the cost for COBRA coverage changes during an employee's participation the employee will be notified of the new premium in writing prior to its due date.

1. The employee fails to make a monthly premium payment to the district on time;
 2. The employee obtains similar coverage through a different employer;
 3. The employee becomes eligible for Medicare and converts to an individual policy;
 4. The district terminates its health plan;
 5. The employee's guaranteed continuation period expires.

The employee or a qualified beneficiary has the responsibility to inform the School District of Neillsville of a divorce, legal separation, or a child losing dependent status under the group health plan within sixty (60) days of the qualifying event. The School District of Neillsville will then notify any other covered dependents that are affected by the event of their right to elect COBRA coverage.

COBRA participants must also notify the School District of Neillsville if they experience additional COBRA qualifying events during their COBRA term that might qualify them for additional months of extended coverage.

- F. Disability Extension: If an employee elects COBRA continuation coverage based on termination of employment or reduction of hours, and the employee or a qualified beneficiary from the employee's family becomes disabled (as determined by Social Security) anytime within the first sixty (60) days of COBRA continuation coverage, the employee and their family's qualified beneficiaries may elect a special additional eleven (11) month extension, for a total of twenty-nine (29) months of COBRA continuation coverage. To elect the eleven (11) month extension, the employee must notify the Plan Administrator within sixty (60) days of the date Social Security determines that the employee or a qualified beneficiary from the employee's family is disabled and within the first eighteen (18) months of COBRA continuation coverage.

Approvals will be granted on a case-by-case basis by the immediate supervisor. Approval for remote work will be limited to those few positions whose duties, tasks and other work obligations do not require the employee to be physically present in a district building and, as a result, do not require additional staffing (including the use of substitutes) or significant imposition on other employees. If remote work has been approved, staff must be accessible and available during their scheduled work hours.

Part II – Staff with Individual Contracts under §1 18.22, Wis. Stats. And Professional/Exempt Non-Supervisory Employees

Section 1: Professional Hours/Workday

1.01 Definitions

Teachers are professional employees as defined by the Federal Fair Labor Standards Act and the Wisconsin Municipal Employee Relations Act.

Education and teaching is a professional occupation. The professional staff is expected to be with students prior to student arrival until after student dismissal for their supervision, during instruction and at those times needed to carry out other professional responsibilities. Other professional responsibilities include, but are not limited to, attending events such as: conferences, open houses, and other school activities.

Professional staff are committed to students as demonstrated through their completion of classroom responsibilities, duties and work. Staff shall be available to participate in meetings and other professional responsibilities. A school's faculty and staff are a team, and every school requires additional duties from all members to ensure the school's successful functioning, and regular meetings to ensure good communication between administrators, faculty, and staff. At the same time, staff time must be respected and carefully budgeted. Additional duties and meetings should be predictable, scheduled in advance and limited to allow staff time to accomplish their work outside of the classroom, pursue individual professional development and maintain a healthy work/life balance.

Staff manage their work time and operate under "professional hours". They are expected to be at their work areas during their assigned duties and teaching assignments, unless excused by their building principal or designee. Staff are expected to remain in the building during established seven and a quarter (7.25) core hours. Activities such as faculty/department/grade level meetings, IEP meetings, student assistance, parent teacher conferences, etc., when known by staff in advance are considered professional responsibilities and staff members are expected to be in attendance.

Administration will recognize teachers' professional judgment in managing their time as long as professional responsibilities are met. A duty-free lunch period will be included as part of the schedule by the building principal and will not be less than one half hour. Misuse of professional hours may result in disciplinary action up to termination.

LEGAL REFERENCE: Wis. Stats § 111.70(1)(L)

1.02 Administratively Called Meetings

Teachers may be excused from attendance from such meetings with prior approval of building principal. It is the responsibility of the teacher to secure the information from the building principal or colleague in the event they were excused from a meeting.

Staff Meetings: Teachers attend all administratively called staff meetings. The number and times of staff meetings shall be established and uniformly implemented by administration. The administration shall attempt to provide reasonable notice of all such meetings.

Other Administratively Called Meetings: These types of meetings may be but are not limited to department/grade level meetings, collaboration, crisis team, district wide meetings, or activities of similar nature which are normally conducted at other times. Teachers attend such meetings, when applicable.

1.03 Attendance at School Events

The School District of Neillsville provides many opportunities outside of school for students to gain additional academic and social/emotional success. It is the expectation that staff attend these functions in areas that are specific to their students, as a way to show support of students, families and the school. These may be an open house, music program, art show, and/or other district or building events that occur after the normal workday. Teachers normally shall be given at least thirty (30) calendar days' notice of such events. Teachers who have a co-curricular conflict or

have pre-approved coursework to attend may be excused at the discretion of the building principal or supervisor. Such conflict should be communicated to the applicable administrator as soon as possible before the date of the event.

1.04 Consultation with Parents

Providing opportunities to consult/communicate with our parents is essential to students' academic and social/emotional success. Such consultation may be in the form of phone contacts, home visitations, progress reports, in-person appointments, etc., in addition to the scheduled parent/teacher conferences. Part of the home/school partnership success stems from the parent having access to their student's progress via the School District of Neillsville's electronic grade book. It is expected that teachers will maintain an up-to-date grade book and post entries within a two-week standard.

Section 2: Professional Growth

2.01 Professional Growth

The School District of Neillsville can benefit from the training and expertise of its staff.

- A. Approval Process: Staff members who are requested and interested in sharing their expertise at a variety of School District of Neillsville professional development opportunities will be compensated for pre-approved presentations based upon the following guidelines. Presentations beyond the normal scope of duties will be arranged and pre-approved through the Department of Teaching & Learning to qualify for compensation. Compensation is paid for presentations that occur outside of regular school hours.
- B. Presentation Compensation: Compensation will be determined by the Department of Teaching & Learning, based on preparation needed, number of times presented, and complexity of presentation.

2.02 Requirement to Remain Current

All educators shall engage in independent and active efforts to maintain high standards of individual excellence. Such efforts shall include but are not limited to: keeping current in specific and applicable areas of instruction and/or licensure, board established curriculum, as well as continuing study of the art of pedagogy and best practice. This can be accomplished through a variety of venues: continuing education, college coursework, professional development offerings (either in-district or outside), conference/workshop attendance, book groups, and/or study groups.

Section 3: Evaluations

- A. Confidential & Support Staff: Employees will be evaluated at least one (1) time per year. Evaluations will be conducted by the immediate supervisor.
- B. Teachers: Evaluations shall be conducted pursuant to the Wisconsin Educator Effectiveness rules and any other legal requirements, as revised from time to time, and as determined by the School District of Neillsville. Evaluations will be conducted by the supervising principal and/or the district administrator.

Educator Effectiveness (EE)

Research consistently identifies effective teaching and instructional leadership as the most important school-based factors impacting student learning. The evaluation system provides teachers with ongoing feedback and meaningful information about how their practice impacts student learning. 2011 WI Act 166 mandates all public school districts and 2R charter schools to use the Wisconsin Educator Effectiveness (WI EE) System to evaluate all principals and teachers. Per state law (Pl. 8), districts must evaluate teachers using the EE System at least during the educator's first year of employment and every third year thereafter (Effectiveness Cycle).

As part of the annual Educator Effectiveness Plan (EEP), educators create one (1) Student Learning Objective (SLO) plan that contains an embedded Professional Practice Goal (PPG).

Educator Effectiveness Plan: A plan that lists the Student Learning Objectives with an embedded Professional Practice goal, along with the activities required to attain these goals and the measures necessary to evaluate the progress made on them. The teacher will submit this plan to their principal/assistant principal each fall, per the required time-lines in the DPI Educator Effectiveness system.

Student Learning Objective: Rigorous, yet attainable goals identified by individual educators for student learning growth aligned to appropriate standards. Educators will develop one SLO with an embedded professional practice goal based on a thorough review of student needs through the school improvement planning process (SIP). The SLO will include:

- The identification of the targeted population
- A clear rationale for the amount of expected growth
- The identification of specific instructional strategies that will allow the attainment of the growth goals

The ultimate goal of an SLO is to promote student learning and achievement while providing for pedagogical growth, reflection, and innovation.

Professional Practice Goal: Practice related goals are an important part of professional practice and should be embedded within the SLO. Individual goals are identified by educators in preparation for their Educator Effectiveness Plans and are monitored by the educator and their principal/assistant principal throughout the year.

Principals of teachers must hold an active administrator license as defined in the Wisconsin Administrative Code section PI 34.32. In addition to licensure and training requirements, all evaluators of teachers in districts using the State Model must complete certification, recertification, and calibration within the parameters established by the DPI.

Principals of teachers conduct observations following the DPI parameters and document those in the designated EE platform.

Teacher and principal conduct the teacher's Final Evaluation/Summary Year Conference to summarize the Effectiveness Cycle Process by the designated timeline. These final evaluation summary year conferences provide a general sense of effectiveness and are important for teachers to see how they are performing on the aggregated student outcomes and professional practice assessments. Through review and feedback on each teacher performance component and outcome measure, teachers will gain specific information on their strengths and possible areas for improvement.

3.01 Evaluation Process

The School District of Neillsville will provide employees with their placement within the supervision and evaluation rotation cycle no later than September 15th of each school year. The School District of Neillsville may modify this list at any time during the contract year. The employees affected by the change will be notified in writing of any changes in the evaluation list.

5.03 Procedure for Reduction in Force

The needs of the School District of Neillsville shall be the prime consideration used in determining which employees shall be non-renewed. In the implementation of staff reductions under this section, individual employees shall be selected for full or partial nonrenewal in accordance with the following steps:

- A. Step One- Attrition: Normal attrition resulting from employees retiring or resigning will be relied upon to the extent that it is administratively feasible in implementing reducing staff.
- B. Step Two- Volunteers: Volunteers will be non-renewed first. The School District of Neillsville will provide the volunteer(s) with a nonrenewal notice. Requests for volunteers will be sent to employees within each grade level, departmental and certification area. An employee who volunteers to be non-renewed under this section will put their request in writing. Volunteers will only be accepted by the School District of Neillsville if in the district's opinion the remaining employees in the department/certification area are qualified to perform the remaining work. Volunteers will be treated as a district directed nonrenewal under this section of the handbook.
- C. Step Three- Selection for Reduction/Non-renewal: The elimination of a position does not necessarily mean the teacher occupying the position will be dismissed. When determining who will be non-renewed as part of a Reduction in Force, the School District of Neillsville will consider the following criteria:
 - 1. Educational Needs of the district: Will be those needs as identified and determined by administration.
 - 2. Qualifications: Including, but not limited to specific skills, certification [if applicable], training, district evaluations, etc.
 - 3. Qualifications of the Remaining Employees in the Grade Level, Department or Certification Area: Relevant qualifications will be those experiences and training that best relate to the position(s) to be maintained and district needs. These experiences shall include but not be limited to current and past assignments and practical experience in the area of need.
 - 4. Performance of the Employees: Performance of the employees under consideration as previously and currently evaluated.
 - 5. Length of Service of the Employee: The School District of Neillsville currently maintains a length of service list for "years of service" awards, which can be used for a reference. Although length of service in the district will be considered when non-renewing employees, it will not be the sole deciding factor in any decision regarding who will be non-renewed. Employees, who are non-renewed, do not have any right to displace or "bump" another employee.

5.04 Reduction in Force

The School District of Neillsville retains the right to non-renew employees, in whole or in part, as described above in Section 5.03. In the event the board determines to reduce the number of positions (full nonrenewal) or the number of hours in any position (partial nonrenewal), the provisions set forth in this section shall apply. If the board determines to reduce the number of staff, any selection of staff for layoff shall be based upon the recommendation of the administration. All layoffs or reductions in assignment shall be at the sole discretion of the Board of Education upon the recommendation of the administration.

5.05 Reduction in Hours Resulting in Non-Renewal

Employees who are non-renewed and such non-renewal results in a reduction in hours shall not lose any benefits they have accrued. Benefits are defined as length of service and sick leave earned as an employee. Reduced in time employees shall be treated as part-time employees under this handbook and shall accrue additional benefits accordingly based on their part-time status.

Section 6: Professional Compensation

6.01 Initial Wage and/or Salary Schedule Placement

Upon initial employment at the School District of Neillsville, the district administrator or designee, at their own discretion, will determine an initial salary for new employees following the guidelines established in the appropriate staff salary matrix.

6.02 Total Base Wage Negotiation

Total base wages and the distribution thereof shall be negotiated as required by law between the board and the School District of Neillsville. Accordingly, the School District of Neillsville will make buildings available for association meetings on a space available basis.

Section 7: Discipline, Termination and Non-Renewal

7.01 Standard for Discipline and Termination

Employees may be disciplined and/or terminated for any reason so long as it is not discriminatory or otherwise prohibited by law.

7.02 Standard for Nonrenewal for Teachers

The School District of Neillsville will follow the timelines and procedures in order to lay off full-time teachers. If the board determines to reduce the number of teachers, any selection of full-time teachers for layoff shall be based upon the recommendation of the district administrator who shall consider, among other relevant factors, input from appropriate principal(s), certification, extra assignments, training/experience, evaluations, and seniority. All other layoffs or reductions in assignment shall be at the sole discretion of the board upon the recommendation of the district administrator. A nonrenewal for layoff purposes shall automatically satisfy the standards for non-renewal identified above. The decision to non-renew a teacher's contract for the purposes of layoff is not subject to the grievance procedure.

The board may not renew a teacher's contract for any reason so long as it is not discriminatory or otherwise prohibited by law.

Employee Acknowledgment

(To be signed and returned to the Board of Education Office of the School District of Neillsville)

My signature below indicates that I agree to read the Employee Handbook, located on the School District of Neillsville's website under the staff tab, employee handbook and abide by the standards, policies and procedures defined or referenced in these documents. Violations of any policies, regulations and guidelines may result in disciplinary action, including termination of employment. It is also important to know that additional regulations, policies, and laws are in the District Board Policy Manual. The District Board Policy Manual is located at the Board of Education Office and on the School District of Neillsville's website at www.neillsville.k12.wi.us. The Board Policy Manual can be found under District Information, Board Policies.

I understand that this handbook supersedes all previous manuals, handbooks, collective bargaining agreements and personnel policies that I have received or have been advised of by the School District of Neillsville. I also understand that the information in this handbook is subject to change with or without notice. I understand that changes to provisions in this handbook will supersede the information summarized in previous handbooks. As the School District of Neillsville provides updated policy information, I accept responsibility for reading and abiding by the changes. I understand that these handbooks do not constitute an employment contract. I understand that by accepting employment with the School District of Neillsville, I am not being asked or required to provide anything in return beyond my services. I further understand that only the school board has the authority to create an employment contract, and such contract must be in writing and signed by the School District to be valid. Subject to any applicable employment contract under Wis. Stat. § 118.21, I understand that my employment with the School District of Neillsville is at-will and may be terminated by myself or the School District of Neillsville per district policies and procedures. I understand that nothing in this handbook is intended to confer a property interest in my continued employment with the School District of Neillsville other than during the term of my current contract (if any).

I understand that I have an obligation to inform my supervisor and Board of Education Office of any changes in my personal information, such as phone number, address, etc. I also accept responsibility for contacting my supervisor if I have any questions, concerns or need further explanation about the School District of Neillsville standards, policies, or procedures. My signature on this form is acknowledgment that I agree that I am legally responsible for any fines or fees charged to the School District of Neillsville incurred by me (an example may be a traffic citation, e.g., parking ticket, received as a result of my operation of a School District of Neillsville motor vehicle) or reduction in salary for breach of contract. If any contractual relationship between the School District of Neillsville and an employee (or group of employees) conflicts with any provision of these handbooks, the contract shall govern with respect to that issue.
