

School District of Neillsville

Animals in Schools: Student Verification for Animals in the Classroom Form

The health, safety, and welfare of each student are of the utmost importance to the district. Accordingly, this form must be completed by a parent/guardian and must be on file for each applicable child before an animal may be brought into the classroom. If the health status of your child changes during the year, parents/guardians should notify the child's teacher. Parents/guardians should also report any known allergies/asthma to the school nurse for the child's protection. Parent/guardian cooperation is appreciated.

Student's Name: _____ Date: _____

Teacher's Name: _____ Grade: _____ Room #: _____
